

## **BREEZELINE TEAMS UP WITH CLEVELAND GUARDIANS TO SHOWCASE LIGHTNING-FAST SPEEDS**

Partnership includes Breezeline pitch meter, baseline signage and Cleveland Guardians Fund donation

**Cleveland, OH, September 8, 2022** – Breezeline, the nation’s eighth-largest provider of internet, TV and voice services, is proud to announce its sponsorship of the Cleveland Guardians.

For the remainder of the season, guests at Progressive Field will “see the speed” of the pitch thanks to Breezeline’s pitch meter. For every fastball 100 mph and over, Breezeline will make a donation to Cleveland Guardians Charities (CGC).

CGC raises money for worthy causes across the Cleveland area, including baseball and softball gear for the Cleveland Metropolitan School District, the Cleveland Guardians “Reviving Baseball in Inner Cities” (RBI) and softball programs, Boys & Girls Clubs of Northeast Ohio, and “PlayBall! CLE,” which provides financial support and educational resources to underserved baseball and softball organizations throughout Northeast Ohio.

“We are delighted to partner with Breezeline to showcase our great pitching staff and work together to continue to have a positive impact in the Cleveland community and Northeast Ohio,” said Ted Baugh, Vice President, Corporate Partnerships & Premium Hospitality.

Last year, Breezeline (formerly Atlantic Broadband) acquired WOW! operations in Cleveland and Columbus. In May, the company adopted the Breezeline name as a nod to its growth beyond the eastern seaboard and its expanding product portfolio.

“As the new team in town, Breezeline is proud to support the Cleveland Guardians. Breezeline is known for its lightning-fast internet, and the Guardians are known for their lightning-fast pitching,” said Julie Sullivan, Vice President, Marketing for Breezeline. “We are proud to form this partnership and to support our local communities through this sponsorship.”

The Cleveland Guardians’ regular season runs through October 5.
